

Central South Dakota Skating Club

Volunteer Hour Guidelines

To help mitigate skating program costs, all families involved in the skating program are required to either volunteer their time for necessary tasks based on their skaters level, or pay an opt out fee of \$10 per volunteer hour required.

Volunteer Guidelines:

- Volunteer hours will be at the amount of highest level passed prior to start of that session.
- If a family has more than one skater, hours required will be of the highest skater's level.
- Hours are rounded up to nearest number of hours worked.
- Any hours not fulfilled will be assessed at the end of each session at a cost of \$10 per volunteer hour not completed. These hours will be billed, and that family will not be able to participate in skating with CSDSC the following session until the balance is paid in full.
- At the end of each session the volunteer hours reset to zero hours completed.
- Volunteers must be at least 13 years of age.
- All Families with skaters participating in the show/CSDSC competition will be required to assist with set up, tear down, decorating, and any other duties deemed necessary.
- An adult must be present at EVERY practice for safety reasons. If no adult is present practice can and will be canceled
