

CENTRAL SOUTH DAKOTA SKATING CLUB
Fall/Winter 2022 REGISTRATION INFORMATION

The Central South Dakota Skating Club (CSDSC) is an affiliated member club of the U.S. Figure Skating Association. The CSDSC offers skating lessons for the following skill levels: Snowplow Sam 1 - 4, Basic 1 - 6, Pre-Free Skate, Free Skate 1 - 6, Advanced Levels, AIM and testing. The CSDSC plans to attend a competition(s) each session as a club. This session the CSDSC will be hosting a competition December 2nd-4th, 2022 at the EXPO Building in Fort Pierre. This is an exciting milestone for our club! If you would like to try out competition skating, this would be an excellent opportunity for your skater to take competition lessons and compete in a competition close to home for friends and family to come cheer on their skater! For those who are just wanting to get started and may not want to jump into a full schedule yet, the CSDSC will be offering a Saturday lesson option for families who are unable to attend lessons during the week. These lessons will be at the regular scheduled lesson time for your skater's skill level on Saturdays. All lessons will be at PAYSA unless stated otherwise.
